**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I signed up for internet access through Sonic because they offer faster speeds, lower costs, and better service than both of my other options - AT&T and Comcast. This is great for the consumer - who the FCC is designed to protect. Taking away access to unbundled network access will drive my price up, my speed down, and may result in me receiving poor service should something happen to my current provider. This would be bad for the consumer. Please look out for the consumer and not corporate special interests.
